Promoting Welfare and Wellbeing by Preventing Extremism and Radicalisation Safeguarding Policy

Lead Governor: Mr. Mark Chapman

Name of Designated Safeguarding Lead: Mrs. Susan Mayes

Name of Deputy Designated safeguarding Lead: Mrs. Victoria Atherton

Our school has a Prevent Single Point of Contact (SPOC) who is the lead within the organisation for safeguarding in relation to protecting individuals from radicalisation and involvement in terrorism: this will normally be the DSL.

The SPOC for our school is Mrs. S. J. Mayes (DSL)

This policy will be reviewed by the governing body in line with the schools Safeguarding Policy.

Policy Adoption, Monitoring and Review

This policy was considered and adopted by the Governing body in line with the overall duty to safeguard and promote the welfare of children as set out in the DfE guidance 'Keeping Children Safe in Education 2018'. Parents will be issued with a hard copy of this policy on request. This policy will also be made available to parents via the school website.

The Governing Body will actively evaluate the effectiveness of this policy, including by monitoring the staff group's understanding and application of the procedures within this policy as part of the duty to safeguard and promote the welfare of children.

Introduction

Moor First School is committed to providing a secure environment for pupils, where children feel safe and are kept safe. All staff and volunteers working at Moor First School recognise that safeguarding is everyone's responsibility irrespective of the role they undertake or whether their role has direct contact or responsibility for children or not.

Under the Counter Terrorism and Security Act 2015 the school also has a statutory duty to have due regard to the need to prevent people from being drawn into extremism.

This policy is one element within our overall school arrangements to Safeguard and Promote the Welfare of all Children in line with our statutory duties set out in section

175 of the Education Act 2002 and should be read in conjunction with the school's Safeguarding Policy (see school website).

This Policy also draws upon the guidance contained in:

- the Staffordshire SSCB Procedures and DfE Guidance Keeping Children Safe in Education, 2021
- DCSF Resources Learning Together to be Safe
- Prevent: Resources Guide,
- Tackling Extremism in the UK
- DfE's "Teaching Approaches that help Build Resilience to Extremism among Young People
- Peter Clarke's Report of July 2014.

School Ethos and Practice – countering extremism

When operating this policy Moor First School uses the following accepted Governmental definition of extremism which is:

'Vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs; and/or calls for the death of members of our armed forces, whether in this country or overseas'.

There is no place for extremist views of any kind in our school, whether from internal sources – pupils, staff or governors, or external sources - school community, external agencies or individuals. Our pupils see our school as a safe place where they can legitimately be supported to explore controversial issues safely in a learning context and where our teachers encourage and facilitate this – we have a duty to ensure this happens in order to secure common values and ethos of diversity, inclusion and democracy and the central tenants of British values.

As a school we recognise that extremism and exposure to extremist materials and influences can lead to risks for children and so should be addressed as a safeguarding concern as set out in this policy. We also recognise that if we fail to challenge extremist views we are failing to protect our pupils.

Extremists of all persuasions aim to develop destructive relationships between different communities by promoting division, fear and mistrust of others based on ignorance or prejudice and these limit the life chances of young people. Education is a powerful weapon against this; equipping young people with the knowledge, skills and critical thinking, to challenge and debate in an informed way.

Therefore we will provide a broad and balanced curriculum, delivered by skilled professionals, so that our pupils are enriched, they understand and become tolerant of difference and diversity to ensure that they thrive, feel valued and are not

marginalised. Furthermore at Moor First School we are aware that young people can be exposed to extremist influences or prejudiced views from an early age which emanate from a variety of sources and media, including via the internet, and at times pupils may themselves reflect or display views that may be ill-informed, discriminatory, prejudiced or extremist, including using derogatory language.

Any prejudice, discrimination or extremist views, including derogatory language displayed by pupils or staff will always be challenged and where appropriate dealt with in line with our Behaviour and Discipline Policy for pupils and the Code of Conduct for staff. Where misconduct by a teacher is proven the matter will be referred to the National College for Teaching and Leadership for their consideration as to whether a Prohibition Order is warranted.

As part of wider safeguarding responsibilities school staff will be alert to:

- Disclosures by pupils of their exposure to the extremist actions, views or materials of others outside of school, such as in their homes or community groups.
- Graffiti symbols, writing or art work promoting extremist messages or images.
- Pupils accessing extremist material online, including through social networking sites.
- Parental reports of changes in behaviour, friendship or actions and requests for assistance.
- Partner schools, local authority services, and police reports of issues affecting pupils in other schools or settings.
- Pupils voicing opinions drawn from extremist ideologies and narratives.
- Use of extremist or 'hate' terms to exclude others or incite violence.
- Intolerance of difference, whether secular or religious or, in line with our equalities policy, views based on, but not exclusive to, gender, disability, homophobia, race, colour or culture.
- Attempts to impose extremist views or practices on others.
- Anti-Western or Anti-British views.

Our school will closely follow any locally agreed procedure as set out by the Local Authority and/or Staffordshire Safeguarding Children Board, including agreed processes and criteria for safeguarding individuals vulnerable to extremism and radicalisation.

Teaching Approaches - Building Resilience

We will all strive to eradicate the myths and assumptions that can lead to some young people becoming alienated and disempowered, especially where the narrow approaches some children may experience elsewhere may make it harder for them to challenge or question these radical influences. In our school this will be achieved by good teaching, primarily via PSHE; but also by adopting the methods outlined in the Government's guidance 'Teaching approaches that help build resilience to

extremism among young people' DfE 2011 and Promoting fundamental British values as part of SMSC in schools - Departmental advice for maintained schools 1 November 2014.

We will ensure that all of our teaching approaches help pupils to build resilience to extremism and give pupils a positive sense of identity through the development of critical thinking skills. We will ensure that all of our staff are equipped to recognise extremism and are skilled and confident enough to challenge it.

We will be flexible enough to adapt our teaching approaches, as appropriate, so as to address specific issues so as to become even more relevant to the current issues and insight into extremism and radicalisation. In doing so we will apply the 'key ingredients' see Appendix A, and we will apply the methodologies set out in that document following the three broad categories of:

- Making a connection with young people using a pupil centred approach.
- Facilitating a 'safe space' for dialogue.
- Equipping our pupils with the appropriate skills, knowledge, understanding and awareness for resilience.

Therefore this approach will be embedded within the ethos of our school so that pupils know and understand what safe and acceptable behaviour is in the context of extremism and radicalisation. This will work in conjunction with our schools approach to the spiritual, moral, social and cultural development of pupils as defined in OfSTED's School Inspection Handbook October 2017 and will include the sound use of assemblies to help further promote this rounded development of our pupils and utilising the joint agreed syllabus for religious education and the guidance produced by Staffordshire's Standing Advisory Council on Religious Education (SACRE).

Our goal is to build mutual respect and understanding and to promote the use of dialogue not violence as a form of conflict resolution. We will achieve this by using a curriculum that includes:

- Citizenship programmes.
- Open discussion and debate.
- Work on anti-violence and a restorative approach addressed throughout the curriculum.
- Focussed educational programmes.

We will also work with local partners, families and communities in our efforts to ensure our school community understands and embraces the local context and our values in challenging extremist views, to assist in the broadening of our pupil's experiences and horizons. We will help support pupils who may be vulnerable to adverse influences as part of our wider safeguarding responsibilities and where we believe a pupil is being directly affected by extremist materials or influences we will ensure that that pupil is safeguarded, supported and offered mentoring intervention.

Additionally in such instances our school will seek external support from the Local Authority and/or local partnership structures working to prevent extremism.

Through these measures we, at Moor First School will promote the values of democracy, the rule of law, individual liberty, mutual respect and tolerance for those with different faiths and beliefs. We will teach and encourage pupils to respect one another and to respect and tolerate difference, especially those of a different faith or no faith. It is indeed our most fundamental responsibility to keep our pupils safe and prepare them for life in modern multi-cultural Britain and globally.

Use of External Agencies and Speakers

At Moor First School we basically encourage the use of external agencies or speakers to enrich the experiences of our learners, however we will positively vet/risk assess those external agencies, individuals or speakers who we engage to provide such learning opportunities or experiences for our learners. Such vetting is to ensure that we do not unwittingly use agencies that contradict each other with their messages or that are inconsistent with, or are in complete opposition to, the school's values and ethos and our duties in regard to this and our Safeguarding Policy. We must be aware that in some instances the work of external agencies may not directly be connected with the rest of the school curriculum so we need to ensure that this work is of benefit to pupils.

Our school will assess the suitability and effectiveness of input from external agencies or individuals to ensure that:

- Any messages communicated to pupils are consistent with the ethos of the school and do not marginalise any communities, groups or individuals.
- Any messages do not seek to glorify criminal activity or violent extremism or seek to radicalise pupils through extreme or narrow views of faith, religion or culture or other ideologies.
- Activities are properly embedded in the curriculum and clearly mapped to schemes of work to avoid contradictory messages or duplication.
- Activities are well-managed, fully supervised and subject to robust safeguarding procedures.
- Activities are matched to the needs of pupils.
- Activities are carefully evaluated by schools to ensure that they are effective

We recognise however, that the ethos of our school is to encourage pupils to understand diverse views and ideologies, appropriate to their age, understanding and abilities, and to be able to actively engage them in informed debate, and we may appropriately permit the use external agencies or speakers to facilitate and support this.

Therefore by delivering a broad and balanced curriculum, augmented by the use of external sources where appropriate, we will strive to ensure our learners recognise

risk and build resilience to manage any such risk to themselves or their peers where appropriate to their age and ability but also to help learners develop the critical thinking skills needed to engage in informed debate as part of a wider community.

Referring Concerns

Where there are concerns of extremism or radicalisation parents, pupils and staff will be encouraged to make use of our internal systems to raise any issue with senior management. Our lead person for Prevent is the Designated Safeguarding Lead who would normally be the first point of contact should there be concerns. If for any reason this creates a difficulty for the referrer, they can contact the Local Authority 'Prevent' co-ordinator, First Response Team, Education Safeguarding Advice Service or Ofsted, depending on the level of concern. Contact details for these agencies can be found at the end of this policy document

Staff should refer to the School Whistle Blowing Policy under which they are entitled to employment protection for raising genuine concerns outside of the school environment.

Child Protection

Please refer to our Safeguarding Policy for the full procedural framework on our Child Protection duties.

Staff will be alert to the fact that whilst Extremism and Radicalisation are managed as a safeguarding issue there may be some instances where a child or children may be at direct risk of harm or neglect. For example; this could be due to a child displaying risky behaviours in terms of the activities they are involved in or the groups they are associated with or staff may become aware of information about a child's family that may indicate a child at risk of harm. (These examples are for illustration and are not definitive or exhaustive)

Therefore all adults working at our school (including visiting staff, volunteers, contractors, and students on placement) are required to report instances where they believe a child may be at risk of harm or neglect to the Designated Safeguarding Lead or Headteacher who will make a referral to children's social care or the Staffordshire Prevent team when appropriate.

The Designated Safeguarding Lead works in line with the responsibilities as set out at Annex B of the DfE Guidance 'Keeping Children Safe in Education' 2021.

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1021914/KCSIE_2021_September_guidance.pdf

The Designated Safeguarding Lead is the focus person and local 'expert' for school staff, and others, who may have concerns about an individual child's safety or well-

being and is the first point of contact for external agencies. In line with Recommendation 2 of Peter Clarke's Report; the role of our Designated Safeguarding Lead will be extended, at the appropriate time, to include the responsibilities of the PREVENT strand of the Government's counter-terrorism strategy.

Training

All staff, including temporary staff and volunteers will receive an induction in regard to our Safeguarding policy and procedures. This will include information and guidance about our duty to prevent people from being drawn into terrorism.

Whole school in-service training in regard to safeguarding and child protection will be organised for staff, governors and volunteers at least every three years and will comply with the prevailing arrangements approved by Staffordshire Safeguarding Children Board and will, in part, include awareness raising on extremism and radicalisation and its safeguarding implications.

The Designated Safeguarding Lead will attend appropriate and relevant training courses in regard to safeguarding children, including the appropriate inter-agency training organised by the Safeguarding Children Board at least every two years. This will include accessing training on extremism and radicalisation and its safeguarding implications. The Designated Safeguarding Lead will ensure that all adults working in the school receive appropriate levels of training, guidance and support in regard to safeguarding children from extremism and radicalisation.

Recruitment and staff conduct

The arrangements for recruiting all staff, permanent and volunteers, to our school will follow guidance for safer recruitment best practice in education settings, including, but not limited to, ensuring that DBS checks are always made at the appropriate level, that references are always received and checked and that we complete and maintain a single central record of such vetting checks. We will apply safer recruitment best practice principles and sound employment practice in general and in doing so will deny opportunities for inappropriate recruitment or advancement.

We will be alert to the possibility that persons may seek to gain positions within our school so as to unduly influence our school's character and ethos. We are aware that such persons seek to limit the opportunities for our pupils thereby rendering them vulnerable to extremist views and radicalisation as a consequence. Therefore, by adhering to safer recruitment best practice techniques and by ensuring that there is an ongoing culture of vigilance within our school and staff team we will minimise the opportunities for extremist views to prevail.

Referrals to the Staffordshire LADO service will be made when appropriate as per statutory guidance and our Safeguarding Children Policy.

Role of Governing Body

The Governing Body of our School will undertake appropriate training and updating to ensure clarity about their role and the parameters of responsibilities as Governors, including their statutory safeguarding duties. The Governing Body of our school shapes the ethos and values of our school and will support the school in tackling extremism and radicalisation. In line with Recommendation 13 of Peter Clarke's report details of our Governing Body are published on our school website to promote transparency.

In line with the provisions set out in the DfE guidance 'Keeping Children Safe in Education, 2021 the governing body will challenge the school's senior management team on the delivery of this policy and monitor its effectiveness.

Governors will review this policy regularly (annually) and may amend and adopt it outside of this timeframe in accordance with any new legislation or guidance or in response to any quality assurance recommendations pertaining to the delivery of this policy and the overall safeguarding arrangements made.

Appendix A Behaviours

Radicalisation in children can happen over a long period of time. In some cases it is triggered by a specific incident or news item and can happen much quicker. Sometimes there are clear warning signs of radicalisation, in other cases the changes are less obvious.

The teenage years are a time of great change and young people often want to be on their own, easily become angry and often mistrust authority. This makes it hard to differentiate between normal teenage behaviour and attitude that indicates your child may have been exposed to radicalising influences.

The following behaviours listed here are intended as a guide to help you identify possible radicalisation:

Outward appearance

- *Becoming increasingly argumentative*
- *Refusing to listen to different points of view*
- *Unwilling to engage with children who are different*
- *Becoming abusive to children who are different*
- *Embracing conspiracy theories*
- *Feeling persecuted*
- *Changing friends and appearance*
- *Distancing themselves from old friends*
- *No longer doing things they used to enjoy*
- *Converting to a new religion*
- *Being secretive and reluctant to discuss their whereabouts*
- *Sympathetic to extremist ideologies and groups*

Online behaviour

- *Changing online identity*
- *Having more than one online identity*
- *Spending a lot of time online or on the phone*
- *Accessing extremist online content*
- *Joining or trying to join an extremist organisation*

You know your child better than anyone, so trust your instincts if something feels wrong. You are in the best position to notice if they're acting out of charac

Appendix B – Referral Pathway

Prevent

What do I do if I have concerns about an individual in relation to extremism or radicalisation?

If you have concern about an individual in relation to extremism or radicalisation, you can refer to the Prevent Team. They will be able to offer appropriate advice and guidance and will refer into the Channel process, if required.

Prevent Co-ordinator

Tel: 01785 232054

Email: Calum.Forsyth@staffordshire.pnn.police.uk

What is Channel?

Channel is a key element of the Prevent Strategy. It is a multi-agency approach to protect people at risk of radicalisation. Channel uses existing collaboration between local authorities, statutory partners, the police and the local community to identify individuals at risk of being drawn into terrorism, assess the nature and extent of that risk and develop the most appropriate support for the individuals concerned.

More information about Channel can be found at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/118194/channel-guidance.pdf

What happens once I have raised a concern about an individual with the Prevent Team?

Prevent Team Officers would liaise with you to discuss your concerns. They would complete a vulnerability assessment for the individual (either by engaging directly with them or based on information given by the referrer, depending on the circumstances).

The information would then be used to make a decision as to whether the case needed to be discussed at the next Channel meeting, where the assessment is discussed and agencies are invited to contribute any shared knowledge about the individual from their own area of business. The vulnerability assessment scoring is also discussed and a decision made about how to ensure the most suitable outcomes for the individual are achieved. If the case is not accepted into the Channel process at this stage, it will be referred back to the Case Management process, where appropriate alternative support and engagement for the individual will be identified.

If an individual who has been referred to Channel is the subject of an existing statutory process (for example, child protection processes) the Prevent Team would endeavour to contribute to the statutory process along with the other key partners who were working together to achieve the best outcomes for the individual concerned.

The person making the referral will be kept informed and, in many cases, would be involved in decision-making going forward.
