Dear Parents/Carers,

Over the next two terms, your child will have the opportunity to experience forest school sessions. These sessions will be delivered by myself and will be supported by another member of staff from your child's class.

These sessions will take place in the afternoon.

The forest school sessions aim to build resilience, team work, confidence, self esteem, problem solving skills and life skills. There will be a range of activities at each sessions which are carefully planned to build on previous skills. There will be opportunities to link the sessions to your child's learning within the classroom and we will make links to your child's topic where appropriate.

We will be spending some afternoons outside. To ensure that your child is dressed appropriately for the sessions they must be wearing:

- Wellies
- Waterproof jacket/coat
- Waterproof trousers **or** trousers that can get muddy and wet

You can find the dates for your child's sessions below:
