9th June- 14th July 2023 (6 sessions)
Available to children in Rec-Y4
Cost = £24

Gymnastics; As one of the most popular sports across the planet, it's no wonder that boys and girls love to take part in gymnastics. Our classes are designed specially to ensure kids have fun, learn the fundamentals of movement, and leave with a smile on their faces.

Football; At Premier Education, we pride ourselves on running sessions that children will enjoy and learn from. Our highly trained coaches can adapt their plans to work with whatever facilities are available at the venue. This adaptability and accessibility is something that we look to capture throughout our engaging and inclusive football sessions.

Dodgeball; Our after-school clubs are a great place for children to try new sports, make new friends and develop essential new skills. We know how each working day can be busy for working parents. An after-school club session at Premier Education gives a parent that peace of mind, knowing that their children are in expert childcare. After a day of listening and learning in the classroom, children have the chance to enjoy dodgeball with friends and go home with a smile on their face. British Dodgeball is the National Governing Body for dodgeball played in the UK. The organisation works to deliver young people the opportunity to follow a pathway from beginner to elite levels and encourage all players to have fun playing dodgeball.
