7<sup>th</sup> June 2023

Dear Parents/Carers,

## **Re: Seesaw**

As of 30<sup>th</sup> June, our Seesaw school/home logins may cease working. Please bear with us during this time as we will be reverting back to the free package instead of the paid for subscription. We can still operate a good service without the full subscription now that remote learning is not a regular event. We can still use the package for home-school communication and can upload work as photos/videos or documents. Our Early Years department may also be changing from Tapestry to Seesaw and if so, staff will support you with the changes.

We may need to issue your child a new login code etc. from 30<sup>th</sup> June but to make the system work best, it would be more effective for us to archive your child's folders at this point and to set them up in their new classes in July. This will also mean that next summer 2024 – the accounts will cease closer towards the end of the academic year.

Apologies for any inconvenience this may cause – you can still contact the office and we have an open-door policy during any crossover periods.

Yours sincerely

Mrs Atherton
