Project Evolve – Copyright and Ownership

Subject Specific Concepts

- Online Safety
- Creators
- Information and Communication

Overview

- -When searching on the internet for content to use, I can explain why I need to consider who owns it and whether I have the right to reuse it.
- -I can give some simple examples of content which I must not use without permission from the owner, e.g. videos, music, images.

Key Questions

- -When you find things (such as images, videos, music) using a search engine, who owns that content?
- -Who owns the content posted on social media?
- -How would you know if it is okay to reuse someone else's content online?
- -What does reusing online content mean?
- -Have you ever used content that belongs to someone else?
