

- Online Safety
- Information and Communication

### Overview

- I can explain simple guidance for using technology in different environments and settings e.g. accessing online technologies in public places and the home environment.
- I can say how those rules / guides can help anyone accessing online technologies.

### Key Questions

- What are the good things you use technology for?
- Which things make you lose patience/get sad/angry/annoying?
- What happens to you when you've used technology for too long?
- What things do you do most at home when you are using technology online?
