World

### Key Vocabulary

- trust:** To feel someone is reliable.
- safe:** Being **protected** from **harm** and danger.
- family:** People we are close to who are special to us. They help us feel loved and cared for.
- similar:** To be like something else or the same in certain ways.
- different:** To not be the same in certain ways.
- special people:** Someone we **trust** and care about who makes us feel **safe** and loved and takes care of us and our feelings.
- home:** The place we live. Somewhere we feel safe, happy and healthy.
- environment:** The surroundings in which people live. Environments can be natural or built.
- natural resources:** Substances or objects that are created naturally and don't need to be made by people.
- protect:** To look after something.
- choice:** Options we have about what to do.
- harm:** To cause damage to something.
- respect:** A way of treating or thinking about someone that shows they are important and they are valued.
- care:** The way we feel towards people we love.  
To provide things people need.

### What should I already know?

I know that people can be similar and different.

Everyone deserves respect.

I can show kindness to everyone.

## Weaving concepts

### MAIN CONCEPT

### Sticky Knowledge

#### Key Learning Points:

**Caring for People Around the World:** There are many ways we can care for people around the world:

- we can learn about the lives of people in **different** countries;
- we can show kindness and **respect** to people whose lives are **different** from ours;
- we can **respect** people's right to choose how they live;
- we can think about how we can help people around the world have their needs met;
- we can show love and **care** to people who are special to us.

**Caring for Our Wonderful World:** There are many ways we can **care** for and **protect** our planet:

- we can recycle waste;
- we can take things we have used and finished with to charity shops;
- we can put litter in the bin to avoid pollution;
- we can turn off lights when we leave a room;
- we can turn off the tap when we are brushing our teeth.
