

WEAVING CONCEPTS

What should I already know:

- How to design products with a purpose.
- How to join fabrics in simple ways by gluing and stitching.
- How to use simple templates for marking out.
- How to evaluate products.

Key Vocabulary

Applique	Describes the method of stitching/gluing patches onto fabric to decorate it
Template	A shape which is placed on the fabric to assist cutting out the fabric
Seam	A line of stitching that joins pieces of fabric together
Running stitch	A basic stitch used to join fabric.

Sticky Knowledge:

- I will be able to use appropriate tools to create a purse.
- I will be able to join fabric together using a running stitch.
- I will know who Cath Kidston is.

Cath Kidston 1958- present

Cath Kidston is a British textile and homeware designer. She founded the brand. Her prints are based on traditional patterns that have bright, colourful designs with spots, stripes, flowers and other motifs.
