Our School Motto

Values

At Moor First School, our home/school agreement is based on rights and responsibilities and helps to ensure that as a community we all uphold our school values and Motto.

We know that successful learning can only begin to take place when all members of the school community feel safe, valued and respected. We have six core values that underpin all we do at Moor First. These are: Independence, Confidence, Honesty, Ambition, Respect and Responsibility.

We expect that all stakeholders buy into these values and uphold them at Moor First and in the community.
