

Religious Education

The beginning of the world

Weaving concepts

Explore 

Identify ways in which faith communities respond to need and link this with their beliefs

Engage 

Identify the teachings of faith communities about caring for others and suggest how this might impact on behaviour

Reflect 

Identify who cares for them and who they care for and explain how and why people show they care in different ways

What should I already know?

- In KS1 I learnt that Christians believe that the world and everything in it was planned and created by God.
- I know what a tradition is.
- I am able to describe features of Diwali.
- I can compare how the Sikh festival of Diwali compares to different festivals I know.
- I know the importance of food in celebrating a religious festival.

Vocabulary

Creation – the action or process of bringing something into existence.

Big Bang – a theory that the universe was created billions of years ago as a result of a giant explosion.

Waheguru – Waheguru is a term used in Sikhism to refer to God.

What am I going to learn?

- Some people believe that the natural world has a creator God. Other people do not believe that there is any kind of God at the origin of things preferring scientific explanations.
- Christians believe that world and everything in it was planned and created by God.
- Sikhs believe that because of the will of God the universe was created.
- Sikhs believe that the universe was created approximately 15 billion years ago.
